Dear Gallant Customers,

I tried to give you as many options to choose from that were in your company colors and in a semi-low and low profile cap per your request.

"Some of the caps come in Yellow/Mango and Navy not black.  
So please double check the colors when you look through the selections".

\*\* Once you choose your embroidery style. I can quote you on  
the cost to have these customized for you.

Please let me know if any of these will work for your promotion?
