Dear Gallant Client,

There are important differences in the quality of Custom Labeled Bottled Water products. At Gallant, Inc., we sell only great tasting spring water in sturdy PET bottles wrapped in vivid, waterproof labels at super-competitive pricing! We will prepare a custom price and freight quotation - in most cases on the spot. Our in-house, digital ink Indigo press produces near-photo quality output. The end result is a masterpiece of label artwork that resists scratching and will stay securely attached to the bottle even when dunked in ice all day long! (Other companies only offer paper labels and reclaimed filtered water)
